EAN: 8023966701233

FABRICANTE: FORZA VITALE

Corn Food Supplement, promotes the drainage of body fluids and the functionality of the urinary tract.

DESCRIPTION

Its use is represented by the dried stems, which contain fatty oils, tannins, mucilages and potassium salts. Its use is mainly as a diuretic, probably due to its high potassium content.

In folk medicine, this plant is used for the treatment of cystitis, rheumatism and gout.

Ingredients: Water, alcohol, Corn (Zea mays L.) stigma 20%, honey.
