

## Sys Meliloto 50 ml

EAN: 8023966700441    FABRICANTE: FORZA VITALE

*Melilot Food Supplement, promotes the well-being of the nervous system.*

### DESCRIPTION

It has antispasmodic and sedative properties, especially at the level of the central and visceral nervous system; antiseptic at the level of the urinary system; indicated for renal spasms with circumscribed or mobile pain.

This plant can be useful as an adjuvant in insomnia, nervousness, neuralgia, cystitis, phlebitis, kidney inflammation, hypertension, gastric and intestinal spasms.

Coumarin derivatives and curarin, partly in the form of glucosides such as melilotside and melilotin, are the active principles with antispasmodic and sedative activity; flavonoids derived from kampferol and quercetin act as diuretics and antiseptics; while triterpenes such as meliloto-genin and sapogenins have anti-inflammatory activity.

**Ingredients:** Water, alcohol, Melilot (Melilotus officinalis Pallas) flowering tops 20%, honey.
