FABRICANTE: FORZA VITALE

Oat Food Supplement, promotes relaxation and mental well-being in case of stress.

DESCRIPTION

Oats contain vitamins B1, B2, B6, trigonelline and starch, iron and phosphorus. They have energetic, refreshing, diuretic, anti-hemorrhoidal and hypoglycemic properties; they stimulate the thyroid. This plant is useful for smokers, as it is apparently capable of detoxifying nicotine, thanks to an alkaloid, trigonelline, which has a chemical structure similar to nicotine.

Ingredients: Water, alcohol, Oats (*Avena sativa* L.) tops 20%, honey.
