

Sys Sage 50 ml

EAN: 8023966700649

FABRICANTE: FORZA VITALE

Sage Food Supplement, promotes balance in menopausal disorders.

DESCRIPTION

It has tonic, digestive, balsamic, hypoglycemic, expectorant, anti-inflammatory, emmenagogue, aphrodisiac, vagus-sympathetic regulator, and anti-perspirant properties.

For external use, it is indicated for canker sores, stomatitis and leucorrhoea. The leaves of Sage are used and can be useful as an adjuvant in liver failure, chronic cholecystitis, asthenia, overwork and fermentation colonopathy. It contains 1 to 2.5% essential oil composed of thujon, cineole and sesquiterpenes; then 3 to 7% tannins such as rosmarinic acid; bitter substances and 1 to 3% flavonoids (luteolin). We remember that sage leaves were also used as a toothpaste, simply by rubbing them on the teeth.

Ingredients: Water, alcohol, Sage (*Salvia officinalis* L.) leaves 20%, honey.
