

Dolkur S 30 tablets

EAN: 8018799453237 FABRICANTE: GRICAR

Dolkur S is indicated to counteract localized states of muscle tension.

DESCRIPTION

DOLKUR S is a supplement with a high concentration of Willow Salicin, with Boswellia, Harpagophytum, Magnesium and Vitamin E.

Willow extract provides 96 mg of salicin per day, the maximum amount allowed for supplements. Willow and boswellia counteract localized stress states and, together with devil's claw, support joint function. Magnesium contributes to the normal functioning of the nervous system and muscle function.
