

Glutater (L-Glutamine) 250 g

EAN: 8437011677266

FABRICANTE: HAUSMANN B

Made from L-glutamine, a natural amino acid that constitutes the body's proteins. Reduces fatigue, improves rest and contributes to well-being.

DESCRIPTION

L-glutamine is one of the twenty natural amino acids that make up the body's proteins.

Produced in Japan.

Warnings:

- Do not take if you have hypersensitivity to any of its components.
- Keep out of the reach of children.

Dosage: It is recommended to take 1 scoop per day (6 gr).

Keep in a cool, dry place.

Composition: Pure L-glutamine (100%).
