*Hawlik is a producer of medicinal mushrooms to make nutritional supplements. Hawlik products are vegan, no artificial colors or flavors except triprotect bones Hawlick products are no artificial colors and no artificial flavors. They are also made without palm oil.*

### DESCRIPTION

Hawlick makes medicinal supplements from mushrooms. Hawlick was founded in 1980 in Germany. Hawlick uses no pesticides or chemical fertilizers and most mushrooms are dried naturally in the sun. This way its components are better preserved.
