EAN: 5019781000944 FABRICANTE: HEALTH AID

Hyaluronic acid is a food supplement based on hyaluronic acid that helps to moisturize and give volume to the skin as well as improve joint mobility.

DESCRIPTION

What is hyaluronic acid?

Hyaluronic acid is a food supplement based on hyaluronic acid that moisturizes skin, hair, nails and joints.

What is hyaluronic acid used for?

- For those people with poorly nourished, dehydrated skin, with pimples or acne.
- For adolescents in puberty or those adults who are beginning to see the first worth of aging.
- For those who want to maintain flexible and healthy joints such as athletes or the elderly.

What is the composition of hyaluronic acid?

One hyaluronic acid tablet contains 55 milligrams of hyaluronic acid. Bulking agents (calcium phosphates, cellulose), anti-caking agents (magnesium stearate, fatty acids).

How should I take hyaluronic acid?

For adults and children over twelve years of age, one or two tablets a day, with a glass of water.

Does hyaluronic acid contain allergens?

Does not contain salt. Contains no yeast, wheat, soy or dairy products. Free from colors, preservatives and artificial flavors.

Should I take any precautions before taking Health Aid Hyaluronic Acid?

Before taking this product, consult your doctor if you are pregnant or lactating, or if you are taking medication.
