Heliotrop NATURE & BEAUTY is a company dedicated to facial and body care products, all of them natural and eco-certified. The Heliotrop company has more than 90 years of experience in the world of cosmetics. Its exclusive products for face and body have the most effective, reliable and natural ingredients, largely from organic farming. They are NATRUE and EcoControl certified.

DESCRIPTION

Heliotrop is a German laboratory dedicated to the manufacture of cosmetics, for the production of their products they only use extracts and vegetable oils that come from organic plant cultures.
