FABRICANTE: HERBALGEM

*This syrup provides quick relief and makes breathing easier in cases of deep airway obstruction associated with tobacco use.*

### DESCRIPTION

#### What is Herbalgem Organic Smokers Syrup used for?

Helps prevent symptoms associated with tobacco use. Numerous scientific studies have shown that tobacco clogs the airways with numerous toxic substances, especially tar. Enebola root, horehound, calendula, plantain, hazel and eucalyptus essential oil help clear the airways. This syrup provides quick relief and makes breathing easier in cases of deep airway obstruction associated with tobacco use.
