

Eco Ground Garlic 1 kg

EAN: 8428201033092

FABRICANTE: HERBES DEL MOLI

Ground garlic from organic farming. It is commonly used as a seasoning or condiment in many and very varied dishes around the world; meats, fish, vegetables, aromatic oils, sauces, rice, pasta, etc.

DESCRIPTION

Garlic is a natural protector. It has:

- Antibacterial antiviral properties: Ideal for strengthening the immune system.
- Regulates blood pressure: It helps improve circulation and reduces the risk of heart disease.
- Natural anti-inflammatory: Relieves discomfort and promotes muscle recovery.
