### DESCRIPTION

#### MAIN PROPERTIES:

- Antifungal.
- Antiviral.
- Antibacterial.
- Antitoxic.
- Expectorant.
- Healing.
- Analgesic.

#### Oil for bites, burns or scars:

##### Ingredients:

- 10 drops AE male lavender.
- 5 drops AE Geranium.
- 1 drop AE Mint.
- 10 ml. AV Rosehip.

##### Application:

Apply two or three drops to the affected area:

After the bite or burn: every 15 min. Until you notice improvement (that the inflammation goes down).

Scars: apply 3 to 6 times a day.

#### GENERAL TIPS:

An essential in summer: mosquito bites, jellyfish bites... It is also a great healing and antiseptic. And in cases of colds or respiratory problems it can help us expectorate.
