* RDA: recommended daily dose. / * VRN: nutrient reference values.

Benefits of Mico Onco

Thanks to its high concentration, it contributes to the maintenance of an adequate nutritional state. In addition, its novel presentation (liquid vials and extract capsules) helps to reduce the dosage regimen of extracts in capsules and facilitates swallowing.

Mico Onco, the most concentrated formula of organic mushroom extracts and natural vitamins

1 vial of Mico-Onco is equivalent to 20 capsules of pure extract and 160 capsules of mushroom powder.

Pharmaceutical quality standards at Mico Onco

Certified excellence: organic products free of maltodextrins, artificial colors, heavy metals and other toxic substances.

Standardized extracts: high concentration ratios with bioactive substance standards.

Vegetable capsules: we do not use derivatives of animal origin.

Protected Against Time capsules: exclusive system of sealing and packaging in a controlled atmosphere that prevents oxidation, keeping the properties of the extracts intact over time.

Mico Onco is suitable for celiacs, lactose intolerant, vegetarians and vegans. It is free of gluten,
