

## Cystone 100 Tablets

EAN: 8901138030711 FABRICANTE: HIMALAYA

*Food supplement that relieves renal colic, eliminates small stones and sediment.*

### DESCRIPTION

#### What is Himalaya Cystone and what is it used for?

It is a dietary supplement that helps improve the health of the urinary tract.

- Decreases the pH of urine.
- Effectively eliminates pathogenic bacteria.

Didymocarpus pedicellata and Saxifraga ligulata help dissolve stones and promote their movement. Shilajeet helps maintain a healthy urinary system and Rubia cordifolia helps against urinary tract infections.

**Main ingredients:** Didymocarpus pedicellata, Saxifraga ligulata, Shilajeet and Rubia cordifolia.

#### Instructions for use

One tablet twice a day, with food and a glass of water.
