

Serum 2 Phases Hydration and Concentrated Nutrition

EAN: 4037904704099

FABRICANTE: I+M NATURKOSMETIK

Vitalizing freshness and intensive care in an innovative, vegan and organic formula: the two-phase moisturizing concentrate for firm and silky skin.

DESCRIPTION

AquaCacteen? | Peptides

Skin condition: dehydrated, blemish-prone, combination, oily, mature, dry and normal.

Double freshness in 2 phases

The highly dosed hydrating serum and the intensively nourishing regenerating oil are combined in a single application of the 2-Phase Hydrating Concentrate. Moisturizes all skin types with plant extracts, while exquisite organic oils and natural lipids simultaneously soften the face. Dry and dehydrated facial skin gains vitalizing freshness and resistance for a firm and supple complexion thanks to its 2-phase formula.

Moisturizing Phase ? AquaCacteen?, Hyaluron and Aloe Vera

A highly concentrated moisturizing complex of several active ingredients of plant origin provides the skin with optimal hydration. AquaCacteen? obtained from cactus is absorbed immediately and binds directly to moisture deposits. Firming and soothing the skin, this innovative active ingredient also effectively protects the skin from oxidative stress. Hyaluronic acid and organic, fair-trade aloe vera also hydrate the skin and leave it with refreshing elasticity.

Regenerative Phase ? Peptides, Squalane and Bisabolol

In a second phase, plant peptides and valuable lipids stimulate cell regeneration and prevent dryness wrinkles. Squalane, made from olive oil, gently moisturizes, develops antioxidant caring substances, while bisabolol nourishes and soothes with a long-lasting effect. Natural stone seed root extract gives the regenerating oil its intense color. The 2-phase hydrating concentrate leaves the face soft and silky.

Use:

Shake well before use. Then apply gently to clean skin and massage before applying facial cream or as a stand-alone treatment.

Tips:

Prices valid except for changes on our website. (IVA/VAT) included. Doc. Version bf-trf-G-20241117

Serum 2 Phases Hydration and Concentrated Nutrition

EAN: 4037904704099 FABRICANTE: I+M NATURKOSMETIK

Extra boost of freshness: For extremely dry and stressed skin, an additional care treatment with a hydrosol can be useful. Simply spray on the face from a distance of approx. 30-40 cm and allow to absorb briefly. This increase in hydration optimally prepares the skin for subsequent care with the 2-phase hydrating concentrate.

Intensive Refreshing Mask: If necessary, apply a good 3-4 pumps of biphasic hydrating concentrate to cleansed skin. Avoid the mouth and eye area. After approx. 5 minutes, gently apply the residue.

Regenerative night care: The skin recovers from the stresses of the day during sleep. After cleansing in the evening, gently apply the biphasic oil serum to the face, neck and décolleté. The skin can regenerate worry-free overnight and looks soft and rosy the next morning.

Ingredients:

- Jojoba: Jojoba oil is a liquefied wax obtained from the nuts of the jojoba bush. The high content of provitamin A and vitamin E has an antioxidant effect. Protects against dehydration and acts as a light sunscreen.
- Hyaluron: Hyaluronic acid is a natural component of skin cells that binds and retains moisture. We use 100% vegan hyaluronic acid obtained biotechnologically from microorganisms, which enhances the skin's natural moisture deposit.
- Aloe vera: Aloe vera extract moisturizes naturally. Prevents the skin from drying out by strengthening the natural skin barrier. We source our fair trade aloe vera from Mexico.

Ingredients:

WATER, SQUALANE, ALOE BARBADENSIS* (ALOE VERA*) LEAF JUICE, CAPRYLIC/CAPRIC TRIGLYCERIDE, OCTYLDODECANOL, PENTYLENE GLYCOL, HELIANTHUS ANNUUS* (SUNFLOWER*) HYBRID OIL, GLYCERIN, ZINC LACTATE, BISABOLOL, HEXAPEPTIDE-11 (PEPTIDE), TOCOPHEROL (VITAMIN E), SODIUM HYALURONATE (HYALURON), OPUNTIA FICUS-INDICA STEM EXTRACT (HUMAN), LEUCONOSTOC/RADISH ROOT FERMENT FILTERATE (RADISH ROOT FERMENT), SIMMONDSIA CHINENSIS SEED OIL * (JOJOBA*), LITHOSPERMUM ERYTHRORHIZON (STEINSAMENWURZEL) ROOT EXTRACT, SODIUM CHLORIDE, DISODIUM PHOSPHATE, ACACIA SENEGAL GUM (ACACIA), IPOMOEA BATATAS (SWEET POTATO) ROOT EXTRACT, MALTODEXTRIN, CITRIC ACID, PARFUM**, CITRONELLOL**, GERANIOL**, LIMONENE**, LINALOOL**
