

Baby Pediatrics Mineral Sunscreen SPF 50

EAN: 8429420122581 FABRICANTE: ISDIN

100% mineral sunscreen for the face and body of children and babies. Protect the skin of children and babies with Mineral Baby Pediatrics SPF 50, the fluid photoprotector for face and body with 100% mineral filters. It is specially formulated for the fragile skin of the little ones.

DESCRIPTION

Precautions: Keep babies and children out of direct sunlight. Pediatricians and dermatologists recommend not exposing them directly to the sun and protecting them adequately with clothing, hats, sunglasses and high SPF sunscreens.

Composition:

Aqua (Water), Titanium Dioxide [nano], Diethylhexyl Carbonate, Propylene Glycol Dicaprylate/Dicaprate, Zinc Oxide [nano], Dibutyl Adipate, Dicaprylyl Carbonate, Alcohol Denat., Dimethicone, Butylene Glycol, Trimethylpentanediol/Adipic Acid/Glycerin Crosspolymer, PEG -30 Dipolyhydroxystearate, Silica, Polyglyceryl-6 Polyricinoleate, Butyloctyl Salicylate, Polyglyceryl-2 Isostearate, Magnesium Sulfate, Dimethicone Crosspolymer, Phenylpropanol, Distearidimonium Hectorite, Propanediol, Caprylyl Glycol, Panthenol, Tocopheryl Acetate, Triethoxycaprylylsilane, Allantoin, Glyceryl Stearate, Sodium Hyaluronate, PEG-8, Tocopherol, Ascorbyl Palmitate, Ascorbic Acid, Citric Acid.

Protects the skin of the child and baby: Sunburn during early childhood is associated with an increased risk of skin cancer in adulthood. Protect the fragile skin of babies and children with Mineral Baby Pediatrics SPF 50.

100% mineral filters and high protection: Protect the baby's and child's skin from solar radiation with Mineral Baby Pediatrics SPF 50. Its mineral filters offer high UVB/UVA protection.

High protection: Formulated with 100% mineral filters and high UVB/UVA protection. Protects against indirect UV radiation.

Water resistant: Absorbs quickly and is very water resistant.

Fast-absorbing formula: Apply Mineral Baby Pediatrics SPF 50 generously to dry skin half an hour before sun exposure. Reapply every 2 hours or after sweating, swimming, or towel drying. By reducing the amount of product applied, the protection factor is reduced.

Is it waterproof? Yes, Mineral Baby Pediatrics SPF 50 is very water resistant.

Baby Pediatrics Mineral Sunscreen SPF 50

What is the difference between FusionWater Pediatrics SPF 50 and Mineral Baby Pediatrics SPF 50? Both products offer high UVB/UVA SPF 50 protection. They can be used on babies from 6 months of age and are suitable for atopic and sensitive skin. FusionWater Pediatrics SPF 50 is an ultra-light photoprotector specially formulated for children's and baby's skin that does not irritate the eyes, offers intense hydration and immediate absorption. Mineral Baby Pediatrics SPF 50 offers 100% mineral protection for child and baby skin; it is a fluid sunscreen with physical filters specially formulated for children's fragile skin, both on the face and body.
