solar radiation. They do not irritate the eyes, are oil control and are highly tolerable on all skin types. They are also part of the ISDIN commitment to projects for the care of seas and oceans.

### Fights pollution and photoaging

Age Repair SPF 50 provides triple anti-photoaging action: protects, repairs and reverses visible signs of aging.

- **Protects** . Protect your skin from the sun and pollution thanks to its high SPF 50 UV protection.
- **Repair** . Its formula with DNA Repairsomes® helps repair visible signs of accumulated damage at the cellular level.
- **Reverts** . Promotes collagen production and helps reverse the visible signs of photoaging.
- **Intensely moisturizes** . Intensely moisturizes, improving skin elasticity.

### After 28 days of use, users say:

- 100% Ultralight texture.<sup>1</sup>
- 96% Does not leave a greasy residue.<sup>1</sup>
- 94% Immediate absorption.<sup>1</sup>

<sup>1</sup> Subjective evaluation of the cosmetic efficacy of the product. Performed on 30 healthy subjects aged 35-70 years with all skin types and under normal conditions of use (with reapplication if necessary), for 28 days. Data on file, 2023.

### Combination of anti-aging and antioxidant active ingredients

The Age Repair SPF 50 formula contains ingredients that help combat photoaging and improve the appearance and luminosity of the skin.

- DNA Repairsomes®. ISDIN patented technology that helps repair sun damage at the cellular level.
- Lipopeptide Q10. Promotes the natural cycle of coenzyme Q10, improving the luminosity and appearance of the skin.
- Collagen Booster Peptide. Fights collagen loss and helps reduce the appearance of wrinkles.
- Hyaluronic acid. Intensely moisturizes and improves skin elasticity.

### Keep your skin hydrated and protected

Generously apply Age Repair SPF 50 to clean, dry skin half an hour before sun exposure and as the last step of your routine, before makeup. Reapply every 2 hours to dry skin and after sweating, swimming, or

towel drying.

### Add Age Repair SPF 50 to your routine

Include Age Repair SPF 50 in your daily routine to keep your skin hydrated and protected against pollution and solar radiation in 5 easy steps.

1. Cleaner. Use your usual cleaner.
2. Outline. Apply your eye contour.
3. Serum. Boost your routine with a concentrated serum.
4. Moisturizing. Seal your face with a moisturizer.
5. Sunscreen. Protect your skin with Age Repair SPF 50.

### FREQUENT QUESTIONS

- **What age is it recommended for?** We recommend using Age Repair SPF 50 from the age of 25, which is when the first visible signs of aging appear.
- **Is it suitable for oily skin?** Age Repair SPF 50 is suitable for all skin types. It is ideal for oily skin because it is mineral oil free and is non-comedogenic. In addition, it is absorbed immediately thanks to its ultra-light texture.
- **Will I also need moisturizer?** It depends on the needs of your skin type. Age Repair SPF 50 contains hyaluronic acid that provides intense hydration. If you need more hydration you can include a moisturizing cream before the sunscreen.
- **What is the difference between Age Repair and Fusion Water SPF 50?** Both products are part of the ISDIN range of daily use sunscreens that optimally combine high UV protection, excellent skin tolerance and a reduced environmental impact. Fusion Water SPF 50 is intended for use during prolonged outdoor exposure or for sports practice. Age Repair SPF 50 is designed for people with mature and demanding skin who, in addition to demanding high UV protection, seek to prevent photoaging.

### Ultralight photoprotection

Fusion Water is the range of light texture sunscreens that adapts to every need.
