

Fusion Water Color Medium SPF 50

EAN: 8470001878199 FABRICANTE: ISDIN

Photoprotector. Ultralight sunscreen with color and antioxidant action that evens out the tone. Take care of your face with Fusion Water Color Medium, the facial sunscreen with color and antioxidant action that protects and hydrates the skin. Provides natural coverage that hides imperfections and evens tone without irritating the eyes 50 ml.

DESCRIPTION

Benefits

- Natural coverage that hides imperfections and evens your skin tone, now available in 3 different shades: Light, Medium and Bronze.
- High protection SPF 50 clinically evaluated in the laboratory and in real conditions of high solar radiation.
- Its ultra-light texture with a silky finish is absorbed instantly without leaving a greasy residue.

How to use

- Apply generously to dry or damp skin, half an hour before sun exposure. Reapply every 2 hours as well as after sweating, swimming, or towel drying. By reducing this amount, the protection factor is reduced. Keep babies and children out of direct sunlight. Keep the product out of the reach of children. Do not refrigerate or freeze.
