

PSORISDIN Bath Gel 500 ml

EAN: 8470001531353

FABRICANTE: ISDIN

Cleanse your skin daily with Psorisdin® Body Wash. Its formula with Anti-Itch Technology, moisturizing oils and softening ingredients protects, softens and relieves itching associated with peeling.

DESCRIPTION

Skin with persistent peeling conditions.

Dermatologically tested.

Skin hygiene with persistent scaly conditions.

Oils, shea butter, laureth-9, aloe vera, Anti-Itch Complex.

Ingredients: Aqua (Water), Paraffinum Liquidum (Mineral Oil), Sodium Laureth Sulfate, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Laureth-9, PEG-120 Methyl Glucose Dioleate, Aloe Barbadensis Leaf Juice, C12-13 Alkyl Lactate, Parfum (Fragrance), Sodium Hydroxide, Sodium Benzoate, BHT, Butyrospermum Parkii (Shea Butter), Potassium Sorbate, Dichlorobenzyl Alcohol, Citral, Citric Acid.

BENEFITS:

Care for healthy skin of people with psoriasis: Psoriasis is a skin disease that can affect any part of the skin and manifests itself with redness, peeling and itching. Daily and targeted care can help reduce the associated irritation and itching.

Relief of itching associated with peeling states: The use of Psorisdin® Bath Gel cleanses and protects the skin, helping to calm the itching associated with peeling states.

Soothes itching: Helps relieve and calm itching thanks to the action of laureth-9.

Moisturizes and softens: Its oil and shea butter content protects, hydrates and softens the skin.
