

Artrizal 30 sachets

EAN: 8436020560019 FABRICANTE: IZALO

Artrizal by Izalo is a supplement based on collagen, minerals, plants and amino acids, to improve the quality of life of people with bone and muscle wear.

DESCRIPTION

What is Artrizal from Izalo used for?

The analgesic, sedative and relaxing properties of the plants, plus the soluble salts of magnesium and calcium, make this product an ideal complement for the bone and muscular system.

How to take Artrizal?

It is recommended to take 2 sachets daily. 1 sachet at lunch and another at dinner, diluted with water.

Composition of Artrizal
