Beltran Vital makes soaps and laundry detergents, handmade soaps. The advent of washing machines and detergents made Beltran Vital innovate with soap flakes, soap powder, and later liquid soap for washing machines. They also make UNscented soaps and vegan friendly soaps. One of the best known brands is Biobel.

DESCRIPTION

Beltran Vital is a company from Castellón that, despite technological advances, has continued to make its soaps and detergents. What's more, in 2011 Beltran vital became the first Spanish company to manufacture products for cleaning clothes with ecological certification.

Beltran Vital develops and manufactures ecological products to provide an alternative to chemical cleaning products, and thus be able to minimize the waste that chemical products generate, since most of them are toxic substances that end up in the sea and groundwater. .

In addition to handmade soaps, they also make unscented soaps and vegan-friendly soaps.

Beltran Vital has recognized certifications such as **Ecocert**, **BioVidaSana** and **Sohiscert**, of ecological origin and respect for the environment.

One of the best known brands is **Biobel** . **Beltran soap** is one of the brand's most recognized products.
