DESCRIPTION

What is ECO Biobel Concentrated Household Cleaner and what is it for?

Biobel Home Cleaner is a highly effective and powerful cleaner that can be used on various surfaces in the home, such as floors, kitchen and bathroom furniture, toilets, tiles and tiles, as well as any other washable surface.

This product guarantees deep cleaning, removing dirt and leaving a pleasant and long-lasting clean aroma thanks to its natural perfume made with citronella essential oil.

In addition, Biobel Household Cleaner is certified by ECOCERT Greenlife as a natural detergent. This means that it meets ecological and sustainability standards, providing an environmentally friendly option.

What is the composition of ECO Biobel Concentrated Household Cleaner?

- >30% water
- 5-15% vegetable alcohol
- <5% amphoteric and nonionic surfactant of plant origin
- Citronella essential oil and citric acid. Contains: geraniol, citronellol, limonene, linalool and citral (essential oil components)
- 100% of the ingredients are of natural origin

How is the ECO Biobel Concentrated Household Cleaner used?

Floor cleaner: apply the product directly on the bucket of water and clean. It does not need rinsing;
Multipurpose: apply the product on the surface to be cleaned and remove with a damp cloth. It does not need rinsing.
