DESCRIPTION

What is ECO Biobel Stain Remover Soap and what is it for?

Biobel Stain Remover is a powerful product designed to remove difficult stains and scratches from all types of garments and colors. It is made with vegetable oils, which makes it an effective and environmentally friendly option.

This stain remover has a powerful but gentle formula, taking care of your clothes without damaging the fabrics. It is specially designed to treat dirt on clothes, guaranteeing effective results.

In addition, Biobel Stain Remover is certified by ECOCERT Greenlife as a natural detergent. This means that it complies with ecological and sustainability standards, taking care of both the environment and our skin. In its application, it is not corrosive nor does it emit toxic substances that could affect our health.

What is the composition of ECO Biobel Stain Remover Soap?

- >30% water;
- 15-30%: potassium soap of vegetable origin
- 100% of the ingredients are of natural origin

How should I use the Stain Remover Soap?

Apply directly to the stain or abrasions on the neck, cuffs... Leave it on for just a few minutes and rinse with plenty of water or put it in the washing machine directly, always following the manufacturer's washing instructions.
