EAN: 8421427068039 **FABRICANTE:** JABONES BELTRAN

Biobel Liquid Detergent can be used to wash all kinds of clothes. It is indicated for use with a washing machine.

DESCRIPTION

What is Biobel Liquid Detergent and what is it for?

Biobel Detergent is a powerful washing machine liquid detergent designed for all types of clothing. Contains lavender essential oil, which provides a pleasant and long-lasting natural aroma to all the laundry. Furthermore, it is highly effective even when washing at low temperatures.

This detergent is enriched with natural soap, which not only guarantees effective cleaning, but also cares for and prolongs the life of the garments, while softening them. For this reason, it is not necessary to add softener, since the detergent leaves the clothes soft, fluffy and naturally scented.

Importantly, this detergent is biodegradable, meaning it breaks down safely in the environment. In addition, the washing water treated with this detergent is suitable for use in irrigation.

This detergent is certified as natural by ECOCERT Greenlife, which ensures its ecological and sustainable origin.

What is the composition of Biobel Liquid Detergent?

- >30% water;
- 5-15% vegetable soap;
- <5% nonionic and amphoteric surfactant of plant origin
- vegetable alcohol
- Carbonate salts and lavender essential oil.
