EAN: 8421427038056 FABRICANTE: JABONES BELTRAN

Vital Detergent is a liquid soap for cleaning all types of garments. It does not contain perfume, dyes, bleaches or enzymes.

DESCRIPTION

What is it and what is Vital liquid detergent used for?

Vital Liquid Detergent is a highly effective product for washing all types of garments, even those that require washing at low temperatures. Its formula is enriched with natural soap, which not only guarantees deep cleaning, but also softens clothes without the need to use additional softening products during washing. In addition, it does not leave any type of perfume on the garments.

Beltrán Vital detergent has received a special recommendation from the **Valencian Association of Multiple Chemical Sensitivity**. This highlights its suitability for people with chemical sensitivities, as it has been carefully formulated to minimize potential chemical irritants and allergens that could affect these people.

In short, Vital Liquid Detergent is a reliable and effective option for laundry, with the added bonus of being gentle and fragrance free. Its recommendation by the Valencian Association of Multiple Chemical Sensitivity.

What is the composition of Vital liquid detergent?
