

Drenbell 500 ml

EAN: 8437011373632 FABRICANTE: JELLYBELL

Drenbell Jellybell, with pineapple juice and potassium, and a combination of natural extracts, promotes the elimination of liquids and the purification of the body.

DESCRIPTION

What is Drenbell?

Contains a powerful **combination of natural ingredients in a base of concentrated pineapple juice and potassium**. Glycerinated extracts of sarsaparilla, milk thistle, dandelion, green nettle, horsetail, rosemary, fennel, birch and goldenrod work synergistically **to promote detoxification and fluid drainage**.

Green tea fluid extract adds **antioxidant and metabolism-boosting properties**. Sweetened with steviol glycosides and sucralose, and with a delicious pineapple aroma, this supplement is ideal for those seeking **natural support for fluid elimination and body cleansing**. Its 500 ml format makes daily intake easy.

Ingredients:

Pineapple juice concentrate, Potassium, Glycerinated Sarsaparilla extract, Glycerinated Milk Thistle extract, Glycerinated Dandelion extract, Glycerinated Green Nettle extract, Glycerinated Horsetail extract, Glycerinated Rosemary extract, Glycerinated Fennel extract, Glycerinated Birch extract, Glycerinated Goldenrod extract, Green Tea fluid extract, Pineapple flavor, Steviol glycosides, Sucralose.
