

Rosehip Oil 50 ml

EAN: 8437011373441 FABRICANTE: JELLYBELL

Rosehip oil is one of the most powerful regenerating and moisturizing oils that exists for the skin. It helps to eliminate spots, stretch marks and scars due to its high content of essential acids such as Omega-6, Omega-3 and Linoleic. It also has great antioxidants along with vitamins such as vitamin A.

DESCRIPTION

Used as one of the most powerful natural skin regenerators. It is also used for elbows, heels and knees as it prevents the natural tendency of these parts of the body to dry out.

Composition:

100% ROSEHIP OIL.

Instructions for use:

Apply one to three times a day with circular massages to allow the skin to absorb it.
