

Salt Salys 12 CaS 90 tablets

EAN: 8437011373335 FABRICANTE: JELLYBELL

This chemical compound, Ca and S, although not a constituent part of the organism, is of great biochemical help.

DESCRIPTION

This chemical compound, Ca and S, although not a constituent part of the organism, is of great biochemical help.

It acts on the connective tissue in numerous drainage processes.

It is part of the structure of connective tissue and acts on purulent exudations of serous sacs and ulcerations of mucous membranes.

It participates in the liver (hepatocyte) to neutralize damaged red blood cells and in the blood, promoting the drainage of toxic waste.

Salt Salys 12 CaS 90 tablets

EAN: 8437011373335 FABRICANTE: JELLYBELL

In addition to the mineral salts used as ingredients, rice protein has also been used, which provides important nutritional value and helps the body to better absorb and assimilate the salts.

Instructions for use:

Chew and dissolve 1 tablet in the mouth, 3 times a day (breakfast, lunch and dinner). Excessive consumption may have laxative effects.
