Promotes memory and concentration performance.

DESCRIPTION

What are Kneipp Memory gummies for?

Ginseng promotes memory performance and helps maintain a good cognitive rhythm.

Ginseng contributes to blood circulation which is associated with brain activity.

Pantothenic acid (Vitamin B5) contributes to normal intellectual performance in aspects such as concentration, learning, memory and reasoning.

Vitamins B1, B2, B6, B12 and C contribute to the normal functioning of the nervous system.

What is the recommended daily dose of Kneipp Memory gummies?

Two jelly beans a day. You can take both in the morning at the same time or at two different times of the day, as you prefer. They have pineapple flavor. They can be taken from 12 years of age.
