

Multivitamin gummies 60 units

EAN: 4008233172293 FABRICANTE: KNEIPP

Kneipp Multivitamins gives you energy, vitality and strengthens the immune system.

DESCRIPTION

What is Kneipp Multivitamins for?

Vitamins B12 and C contribute to normal energy metabolism and reduce tiredness and fatigue.

Zinc and vitamins A and D contribute to the normal functioning of the immune system.

Vitamin E contributes to the protection of cells against oxidative stress.

Eleutherococcus helps the immune system's defenses and promotes physical and mental energy.

What is the recommended daily dose of Kneipp Multivitamins?

Two jelly beans a day. You can take both in the morning at the same time or at two different times of the day, as you prefer. In the same jar we found a combination of orange-flavored gummies and others with lemon flavor. Children from 12 years old can take them.
