

## PARAX PLUS NATURLIDER 60 Vcaps (VERMISTOP)

EAN: 8414606301584    FABRICANTE: LABIATAE

*Parax Plus naturlider contains a mixture of plant extracts carefully selected for their effectiveness in intestinal infections, such as candidiasis and parasitosis.*

### DESCRIPTION

**Parax Plus Naturlider** is a food supplement, it is recommended for **intestinal infections** caused by parasites and **candida**-type fungi. The main antiparasitic actions are: antimalarial, toxocariasis, larval echinocosis, ascariasis, oxyuriasis.

Parax plus naturlider is contraindicated in: pregnancy, lactation, children, patients with liver or kidney disease.

Garlic preparations should be used with caution in people taking oral anticoagulants and/or antiaggregants because they can increase bleeding time. Concomitant use with saquinavir/ritonavir is contraindicated due to the risk of decreased plasma concentration, loss of response and possible resistance to antiretrovirals.
