

Anti-Mosquito Spray Bio 50 ml

EAN: 3486330108161

FABRICANTE: LADROME

Pocket size to take with you everywhere. Double effectiveness against mosquitoes and ticks. For adults and children from 6 months. Active ingredient of natural origin.

DESCRIPTION

Composed of an active ingredient of natural origin from Lemon Eucalyptus, the Mosquito and Tick skin repellent spray is designed for the whole family (from 6 months). This 2-in-1 spray works effectively to protect you against mosquitoes* (in temperate, infested and tropical areas) and against ticks. Also effective against mosquitoes (small mosquitoes): *Culicoides* spp. (3h).

*Efficacy tested in the laboratory: up to 11 hours in *Culex* spp. mosquitoes, 6 hours in tiger mosquitoes: *Aedes Albopictus*, 6.5 hours in *Anopheles aquasalis* mosquitoes and up to 6 hours in ticks: *Ixodes ricinus*.

Composition

Biocidal status TP19: contains 30% m/m Citriodiol® (eucalyptus citriodora oil, hydrated, cyclized). CAS No. 1245629-80-4.

Other ingredients: water, denatured alcohol, isopropyl alcohol

Contains: Citronellol (106-22-9), Citronellal (106-23-0), Linalool (78-70-6), Eucalyptol (470-82-6), Limonene (5989-27-5).

How to use

6 sprays per area to be protected (leg, forearm, etc.).

Precautions

Do not spray towards the face, but rather spray onto hands and then apply to face.

Do not apply around the eyes or on the eyelids.

Wash your hands after application.

For children 6 months to 11 years, the product should be applied once a day by an adult and should not be applied to the hands.
