

Chromium GTF 200 100 Tablets

EAN: 5055148403102 FABRICANTE: LAMBERTS

Chromium GTF 200 mcg as Picolinate. Helps maintain glucose levels and nutrient metabolism.

DESCRIPTION

This is a one-tablet-a-day formula that provides chromium, an essential nutrient that contributes to the maintenance of normal blood glucose levels and normal macronutrient metabolism.

Chromium tends to be depleted from foods by processing and refining, and diets low in whole grains may provide inadequate levels of this important trace mineral.

We use an organic form of chromium called ?chromium picolinate? to help ensure maximum absorption and utilization.

Each tablet provides a total of 200µg of chromium.

Round white coated tablet.

Each tablet provides:

Chromium GTF (as Picolinate) 200 ?g

Allergen note

The following list of allergens are excluded: wheat, gluten, barley, soya, eggs, milk and dairy products, lactose, nuts, sulphites, celery, fish, shellfish and yeast .

Precautions

People with diabetes are advised to consult their doctor before using this preparation. Daily intake should not exceed 200µg.

Instructions for use

Take 1 tablet daily with food.

Chromium GTF 200 100 Tablets
