

Curcumin Ultra 60 Tablets

EAN: 5055148410339 FABRICANTE: LAMBERTS

Curcumin Ultra is a high absorption turmeric extract. It is manufactured using the patented CurcuWIN and UltraSOL technologies. Used to treat gastrointestinal complaints, arthritis pain and low energy.

DESCRIPTION

This product provides an excellent level of curcuminoids through a technically advanced turmeric extract that has been specially prepared to significantly increase its absorption from the digestive system. It is manufactured using the patented UltraSOL[®] technology.

This is a molecular dispersion process, it improves the bioavailability of poorly absorbed nutrients and increases the water dispersion of fat-soluble ingredients.

An established problem with turmeric or its active ingredient curcumin is its absorption as it does not dissolve easily in water, and this characteristic of the compound is what is believed to significantly limit the amount that can be absorbed from our digestive systems. For this reason we have carefully selected a turmeric extract with enhanced absorption.

The key active ingredient in turmeric is curcumin, which is found in the root of the plant and is responsible for its bright yellow color.

Oval tablet with orange coating.

Each tablet provides:

CurcuWIN [®]	500 mg
Providing curcuminoids	

Suitable for vegetarians and vegans. Free from lactose and gelatin.

Allergen note

The following list of allergens are excluded: wheat, gluten, barley, soya, eggs, milk and dairy products, lactose, nuts, sulphites, celery, fish, shellfish and yeast.

Curcumin Ultra 60 Tablets

EAN: 5055148410339 FABRICANTE: LAMBERTS
