

Sea Buckthorn Fruit Oil 30 Capsules

EAN: 5055148411442 FABRICANTE: LAMBERTS

Sea Buckthorn fruit oil is rich in Omega 7, rich in antioxidants, palmitoleic and vaccenic acids, as well as Omega 9.

DESCRIPTION

Lamberts® Sea Buckthorn Oil Capsules contain pure sea buckthorn oil extracted from the pulp of the berry (a much richer source than the seeds). As with all Lamberts® products, we strive to use the best raw materials and our sea buckthorn comes from organic cooperative plantations that have positive effects on the ecology of the region.

The extraction process ensures that important properties are preserved without using solvents, providing the highest quality supplement available.

Sea buckthorn berries are not only very rich in antioxidants, but also in essential Omega 7 fatty acids (palmitoleic acid).

Each of our sea buckthorn capsules contains 1000 mg of pure oil, providing 270 mg of omega 7 (palmitoleic acid). In addition to its unsurpassed quality, this makes it one of the most powerful products available to professionals.

Each capsule provides:

Sea Buckthorn Fruit Oil	1000 mg
Contributing:	
Palmitoleic Acid (Omega 7)	270 mg

Allergen note

The following list of allergens are excluded: wheat, barley, soya, eggs, milk (and dairy products), lactose, nuts, sulphites, celery, fish, shellfish, yeast and ingredients containing gluten.

Instructions for use

Take 1 to 2 capsules daily with food.

Sea Buckthorn Fruit Oil 30 Capsules
