*Anti-aging moisturizer with natural coenzyme Q10. Suitable for vegans. Certified according to PETA criteria.*

### DESCRIPTION

Anti-aging moisturizing cream with natural coenzyme Q10.

Basis Sensitiv Anti-Aging Moisturiser fights the signs of ageing naturally. With its antioxidant properties, the gentle and well-tolerated formula with natural Coenzyme Q10 combats premature skin ageing and visibly reduces fine lines and wrinkles. Feel the fast-absorbing texture gently melt into your skin, providing long-lasting hydration, for a visibly smooth complexion all day long.

Gently nourishing formula for naturally soft skin:

- Reduces wrinkles.
- Fights the signs of aging.
- Provides intense hydration.

Organic Jojoba Oil absorbs quickly, protecting skin from moisture loss and leaving it feeling silky smooth. Organic aloe vera is a real all-rounder and is known for its moisturizing effects.

Natural coenzyme Q10 participates in cellular energy metabolism and its antioxidant properties protect the skin from premature aging.

### Lavera's commitment:

- Biodegradable formula.
- NATRUE Certification.
- The jar (without closure) is made from at least 30% recycled glass and the cardboard material of this folding box is made from 100% recycled fibres (no dyes or additives).
