EAN: 8429007053734 FABRICANTE: LAVIGOR

Lavigras forte from Lavigor is a food supplement that combines active ingredients of natural origin and is an adjuvant in slimming regimens that contribute to the oxidation of fats.

DESCRIPTION

What is Lavigras forte de lavigor and what is it used for?

Lavigras forte de lavigor is a combination of natural products. Lavigras forte de lavigor is used to help in slimming diets since it contributes to the oxidation of fats.

What is the composition of Lavigras forte de Lavigor?

The composition of Lavigras forte de lavigor per capsule is:

- African mango 150mg
- Chitosan 100mg
- L-carnitine 80mg
- Camiline 70mg
- csp additives

African mango reduces leptin resistance.

Chitosan reduces the absorption of dietary fats.

L-carnitine is lipolytic and produces the oxidation of fatty acids.

Camilina is lipolytic.

How do you take Lavigras forte from Lavigor?

Lavigras forte de lavigor is taken orally. Take two to four capsules daily before meals, with a glass of water.
