*Le Pain des Fleurs makes crunchy and organic toasts from buckwheat grains, nutritional and gluten-free. Le Pain des Fleurs wants to offer healthy food. One hundred percent of the flour used in these toasts is buckwheat. The success of the buckwheat toast made them look for different flavors, such as quinoa and chestnut.*

### DESCRIPTION

Le Pain de Fleurs has been in the food market for more than twenty years, with the production of buckwheat toasts that has been expanding in the search for new flavors, such as multigrain toasts, toasts with onion, with quinoa, chestnut, with green lentils, with chickpeas. All these toasts are gluten-free, a source of iron and protein.
