

## Dinadi 60 Capsules

EAN: 8436015142107 FABRICANTE: MAHEN

Helps control glucose. Contents: 60 capsules of 555.10 mg. High blood glucose levels cause health problems in the long term. Dinadi's new formula contains bitter melon, eucalyptus, bean pod, fenugreek, nopal and chromium. Bitter melon is rich in dietary fiber, minerals such as iron, zinc and potassium and vitamins B3, B5 and B6.

### DESCRIPTION

Inulin is a fiber that stimulates the growth of intestinal flora and reduces the absorption of glucose in the digestive process, since the natural digestion of inulin does not release significant amounts of sugar. It also promotes the absorption of calcium.

### Ingredients:

Bitter melon dry extract (*Momordica charantia* L.), Eucalyptus dry extract (*Eucalyptus globulus*), bean pod dry extract (*Phaseolus vulgaris* L.), Fenugreek dry extract (*Trigonella foenum-graecum* L.), Inulin, Anti-caking agents (Magnesium stearate and Silicon dioxide), Nopal dry extract (*Opuntia ficus-indica* M.) and Chromium picolinate. Covering: gelatin.

### Instructions for use:

Take 2 capsules a day, before lunch and dinner, with a glass of water or tea. Our products are natural and can be combined with each other, allowing you to take several at a time.

### Daily dose:

Amount provided per daily dose	2 capsules
Chrome	0.024 mg (60% NRV*)
