DESCRIPTION

What is Almond Massage Oil and what is it for?

MARNYS® Sweet Almond Massage Oil contains emollient oils derived from sweet almonds, crambe, plant sterols and shea. It serves to protect, soften and hydrate the skin.

Sweet Almond Oil provides a pleasant and subtle aroma, spreads easily on the skin and is slowly absorbed, which allows a pleasant sensation during its application.

It is suitable for all skin types, especially for dry, sensitive and irritable skin, such as those that can arise in winter times.

Additionally, this massage oil is beneficial for reducing the appearance of stretch marks at times of rapid weight gain, during adolescent growth, and during pregnancy.

In short, MARNYS® sweet almond oil is an excellent option for skin care, providing protection, hydration and softness, and helping to prevent the appearance of stretch marks at certain times in life.
