

## Argeloe Colloidal Silver 100 ml Dropper Cap

EAN: 8410885083111    FABRICANTE: MARNYS

*A daily plus for your skin hygiene. Colloidal Silver and Aloe Vera. Purifying, soothing and skin-protecting water.*

### DESCRIPTION

MARNYS® Argeloe is a unique combination of colloidal silver and Aloe Vera that leaves the skin soft, hydrated and protected. It is formulated with 99.9% ultra-pure silver suspended colloiddally.

Strengthens the cell regeneration system and neutralizes the effects of harmful microorganisms to protect the skin's barrier function.

Thanks to its antimicrobial and antifungal properties, colloidal silver is used as a skin protector.

Aloe Vera has a skin moisturizing and antioxidant function.

MARNYS® Argeloe can be used on the skin of the face to remove impurities and bacteria that cause acne. It can also be used to protect the skin after shaving, and even for the feet (see instructions for use).

### Instructions for use:

Soak a cotton pad in Argeloe and apply locally 1 to 2 times a day on the affected skin area.

Facial: To remove impurities and bacteria that cause acne. Apply to areas prone to blackheads (forehead, nose and chin).

Shaving: For after shaving, as it provides long-lasting protection against irritation caused by bacteria.

Feet: Helps keep feet clean and healthy, eliminating odors and providing a feeling of freshness.

### Ingredients:

Aloe vera extract, "nano" colloidal silver.
