

Arnica Oil Spray 50 ml

EAN: 8470002009806

FABRICANTE: MARNYS

Arnica Oil activates microcirculation and tones the skin. Softens and repairs the skin, relieving tired legs. Contact with eyes, mucous membranes and open wounds should be avoided. Do not use in pregnancy or lactation.

DESCRIPTION

What is Arnica Oil and what is it for?

MARNYS® Arnica Oil is a completely vegetable body oil with a light and fluid texture, specially designed to relieve tired legs. This oil has the ability to stimulate the microcirculation of the skin, which helps to revitalize and tone it, providing comforting relief.

In addition, its formula actively contributes to skin repair, helping to restore its appearance and vitality. With this oil, you can enjoy more revitalized and cared for legs, allowing you to feel better and more comfortable throughout the day.

What properties does Arnica Oil have?

- Activates skin microcirculation.
- Smooths and improves the appearance of the skin.
- Recover radiant skin.
- It is formulated with 100% natural essential oils to tone the skin.
- It is suitable for all skin types.

What is the composition of Arnica Oil?

- Sesame seed oil.
- Olive fruit oil.
- Glycine soybean oil.
- Arnica flower extract.
- Rosemary floral oil.
- Lavender oil.
- Tocopherol.
- Beta-sitosterol.
