

Fitsalt 0% Sodium 250 g

EAN: 8410885078742 FABRICANTE: MARNYS

Salt without sodium, 0% Sodium, ideal for low sodium diets, helps your heart

DESCRIPTION

MARNYS® Fitsalt contains Potassium Chloride **as a substitute for common salt**, that is, **it is a salt without sodium**, which facilitates the reduction of sodium intake and helps mineral balance.

MARNYS® Fitsalt provides the following properties:

- The MARNYS® Fitsalt formulation is **sodium-free**, which is why the **EFSA** recognizes that ?reducing sodium consumption contributes to the normal maintenance of blood pressure.?
- **Potassium Chloride** (main ingredient with 97% content) **provides a healthy alternative to consuming salt in the diet.**
- **L-lysine facilitates the replacement of salt with potassium**, favoring the change of eating habits towards other healthier routines, due to its flavoring action.
- **Glutamic Acid increases flavor perception** due to the activation of specific receptors in the mouth.
- **L-lysine and glutamic acid**, together with Potassium Chloride, **enhance the flavor, improving the balance and gustatory impact of foods.**

MARNYS® Fitsalt is ideal for people concerned about the consumption of salt in their diet, those who want to replace salt with special diets and, for individuals who want to keep their blood pressure normal.

It comes in a **practical bottle with a very safe and comfortable closure** that allows you to dose the contents and use it easily.

INSTRUCTIONS FOR USE : Suitable for seasoning all types of foods as a substitute for table salt, and for cooking.

INGREDIENTS: Salt 0% sodium. Ingredients: Potassium chloride (97%), L-lysine monohydrochloride, flavor enhancer (glutamic acid), acidity regulator (dipotassium phosphate) and anti-caking agent (silicon dioxide).

Suitable for low sodium diets always under medical supervision.
