### DESCRIPTION

#### What is Jojoba Massage Oil and what is it for?

The MARNYS® Jojoba Massage Oil formula has been created using a mixture of emollient oils derived from jojoba, crambe, plant sterols and shea, with the purpose of nourishing, softening and moisturizing the skin. This oil provides a soft and delicate fragrance, is easily distributed and gradually absorbed.

This product is suitable for various skin types, being especially beneficial for oily and combination skin. Helps balance oil production in the skin, while maintaining hair follicle health.

MARNYS® Jojoba Massage Oil can also be used as a natural hair conditioner (see instructions for use). In addition to providing shine and softness, it helps prevent hair breakage.
