DESCRIPTION

What is Organic Argan Oil and what is it for?

MARNYS® Organic Argan Oil is a completely pure and natural vegetable oil, characterized by its light and fluid texture, which allows it to be quickly absorbed into the skin without leaving a greasy or heavy sensation. This oil is obtained through a process of cold pressing the pits of the fruit of the Argan tree (Argania spinosa), which is found in the southwest of Morocco.

This product is a true source of nutrition, shine and softness for both skin and hair. It is suitable for all skin types, but especially beneficial for those with dry skin and damaged hair.

What properties does Organic Argan Oil have?

- 100% certified organic and natural cosmetics.
- Provides essential fatty acids to the skin.
- Helps reduce the signs of aging, due to its anti-aging effect and the restoration of skin elasticity.
- Promotes the integrity of the skin barrier, reducing water loss and restoring moisture.
- Powerful antioxidant action, reducing the appearance of expression lines.
- Protects the skin from external aggressions such as the sun or the wind.
- Repairs dry and cracked hands.
- Strengthens brittle nails.
- It favors hair strengthening because it decreases the loss of hair protein, contributing to hair growth.
- Nourishes and revitalizes the scalp, providing shine and softness.

How is Bio Argan Oil used?

- On the skin: Apply every night directly to clean (damp or dry) skin on the face, neck or body with a gentle massage until completely absorbed. It can also be combined with the usual daily hydration cream. To do this, we apply a small amount of oil on the palm of the hand and add the necessary amount of our daily care moisturizing cream or lotion, mix and spread in a gentle massage on the body or face.
- On the hair: It can be applied directly to clean, damp hair before drying and styling. It can also be applied to wet hair before washing or complementing the shampoo or conditioner. To do this, apply a small amount of oil to the palm of your hand, add the necessary amount of your usual shampoo or conditioner, massage and rinse.
- To strengthen nails : mix a few drops of oil with lemon juice and leave it on overnight without rinsing afterwards.
