DESCRIPTION

What is Artro-Duo Forte used for?

Curcuma longa helps control inflammatory responses within the body.

Bamboo (*Bambusa arundinacea*) is beneficial for the health, strengthening and maintenance of joints, cartilage and bones. It contributes to the formation of cartilage and bones thanks to its silica content. Helps restore comfort and mobility of the joint. Helps support joint flexibility and mobility. Helps relieve joint discomfort. Participates in bone remineralization. Helps maintain joint mobility.

Vitamin C contributes to the normal formation of collagen for the normal functioning of bones and cartilage.

Magnesium contributes to the maintenance of bones in normal conditions and the normal functioning of muscles.

Zinc contributes to the maintenance of bones in normal conditions and the protection of cells against oxidative damage.

Manganese contributes to the normal formation of connective tissue and the maintenance of bones in normal conditions.

Copper contributes to the maintenance of connective tissue in normal conditions and to the protection of cells against oxidative damage.

What is the recommended daily dose of Artro-Duo Forte?

Take 15 mL twice a day, preferably without meals, or as recommended by a professional. The product can be taken directly or diluted with a little water. Before using, warm the bottle outside of the refrigerator. Shake gently and wait a few minutes before opening the cap. DO NOT SHAKE VIGOROUSLY.
