

## Berberine 90 Vegetable Capsules

**EAN:** 8437020265119    **FABRICANTE:** Méderi Nutrición Integrativa

*Food supplement based on berberine (dry extract of Barberry, Berberis aristata DC).*

### DESCRIPTION

#### What is Berberine from Mederi Nut used for?

**Berberine** ( *Berberis aristata* ) helps maintain normal cholesterol levels and helps reduce triglyceride levels and improve blood glucose control. Supports liver health.

#### What is the recommended daily dose of Berberine from Mederi Nut?

Take one to three capsules a day in one or several doses, preferably before meals, with half a glass of water.

#### What is the composition of Mederi Nut Berberine?

- Dry extract of Barberry bark (97% berberine, *Berberis aristata* DC.).
- Bulking agent: microcrystalline cellulose, capsule (coating agent: hydroxypropylmethylcellulose).
- Anti-caking agents: magnesium stearate and AEROSIL® 200 F (silicon dioxide).

#### What is the nutritional value of Berberine from Mederi Nut?

Ingredients	1 capsule	3 capsules
Dry Barberry Ext.	500mg	1,500 mg
Of which: Berberine	485mg	1,455 mg

#### Does Berberine from Mederi Nut have contraindications?

This product is not recommended for pregnant women due to the presence of berberine, which can increase uterine contractions. Also not recommended for breastfeeding women, children and adolescents.
