

Medertone 90 gastro-resistant tablets

EAN: 8437020265782 FABRICANTE: Méderi Nutrición Integrativa

Food supplement based on Rosa Rhodiola and Ginkgo Biloba.

DESCRIPTION

Ginkgo Biloba contributes to good hearing and vision. It helps maintain good cognitive function, improve cognitive performance and can help maintain adequate brain performance in older people.

Rhodiola Rosea contributes to the maintenance of normal blood circulation and optimal mental and cognitive activity. Helps maintain normal function of the circulatory system, providing oxygen and nutrients to cells. In turn, it helps the body adapt to emotional stress, physical effort, helps stimulate the nervous system, has a beneficial effect on fatigue and headaches induced by stress, is beneficial for sleeping difficulties, lack of appetite and improves work performance. In addition, it helps stimulate perception, improve mood and has a beneficial effect on the cardiovascular system because it helps protect against stress and hypertension.

What is the recommended daily dose of Medertone from Mederi Nut?

Take one or two tablets a day, with half a glass of water.

What is the composition of Medertone from Mederi Nut?

Bulking agent (microcrystalline cellulose), dry extract of Rosa Rhodiola root (Rhodiola rosea L., 6% rosavins, 3% salidroside), dry extract of Ginkgo Biloba leaves (Ginkgo biloba L. 50:1, 24% flavonoids, 6% sesquiterpene lactones), coating agent Eudraguard® biotic (copolymer of methylacrylate, methyl methacrylate and methacrylic acid), anti-caking agents: AEROSIL® 200 F (silicon dioxide) and magnesium stearate.
