

MIMASA's Mu infusion contains plants of the highest quality and, consequently, of the highest efficacy, especially effective in times of stress because they help keep the body strong and healthy, resistant to colds and relieve stomach problems. In addition, it is slightly toning thanks to the ginger and Panax Ginseng it contains.

DESCRIPTION

According to traditional Chinese medicine, the 16 plants that make up mu tea help with the following disorders:

- Citrus unshu (orange peel): 17.5%: Digestive problems, colds, expectoration, cough and pain.
