Minami Nut is a manufacturer of highly concentrated Omega 3 supplements. Minami Nut makes omega 3 supplements for adults and children. Omega 3 supplements are important for maintaining normal brain function.

DESCRIPTION

Among the Minami Nut products, Vegan DHA stands out, which contains high levels of DHA from algae. DHA has been shown to support brain and eye function in adult braineye. For those looking for the perfect basic omega-3 product, MorEPA might be the one. This specifically formulated balance of EPA and DHA offers all the benefits of omega-3s in a single softgel. Your heart will especially appreciate the high amount of omega-3 fatty acids per heart dose.
